RE: Request for Service List for 00000-C-94-0165 and 00000-C-00-0377

Dear Suzette,

Thanks for your assistance today and asking your supervisor to help us pinpoint what documents we need. What started out very confusing for us is now very clear.

This letter is a formal request to place Barry Goldwater, Jr. on the Service List for the above referenced docket items. This should provide us the information we need to keep abreast of the activities. I might come down to visit with you and take a look at the docket sheets that have accumulated since 1994.

Again, thanks for your assistance.

Very truly yours,

Marcella McKenzie for  
Barry Goldwater, Jr.
